cjtyrer@gmail.com or 07946 028145

We take payments by credit card, bank transfer and PayPal.

Carolyn Tyrer

The inspiration for my paintings and drawings comes from a love of the countryside and seascapes. Much of my work features scenes from Great Britain. Each painting or drawing represents a journey through the landscape and buildings that are unique to this beautiful country.

Working from my studio in the heart of the Oxfordshire countryside, I create paintings that reflect the colours and moods of the British Isles.

CONTENTS - PART 1
